MASTER ARTIST_LYNN GIUNTA

ABOUT ME:

LYNN GIUNTA is a Master Artist at Hallmark Cards, Inc. and a maker at heart, creating designs with cut paper, brush lettering, and improvisation. When she sits down with scissors and an array of colored papers, she remembers what it was like to be a kid creating crafts around the kitchen table. Lynn finds a kind of magic happens as negative shapes fall away that end up looking way more interesting than what she was originally cutting out.
