

HALLMARK CREATIVE BIOGRAPHY

SENIOR WRITER_MEGAN HAAVE

ABOUT ME:

MEGAN HAAVE has twelve years of experience writing, editing, and creating at Hallmark. She is also a social work graduate student. The theme that holds this duo together is a deep interest in people. This workshop grew out of a passion for helping people identify, articulate, and own their purpose. Best perks of the job: asking big questions, knowing the power of little things and making people everywhere feel known and loved.
