Martin Luther King Jr Day - January 19, 2015

Martin Luther King Jr. (1929-1968) was a Baptist minister and social activist who played a key role in the American civil rights movement from the mid-1950s until his assassination in 1968. Inspired by advocates of nonviolence such as Mahatma Gandhi, King sought equality for African Americans, the economically disadvantaged and victims of injustice through peaceful protest. He was the driving force behind watershed events such as the Montgomery Bus Boycott and the March on Washington, which helped bring about such landmark legislation as the Civil Rights Act of 1964 and the Voting Rights Act of 1965. King was awarded the Nobel Peace Prize in 1964 and is remembered each year

Safety Tip for the Month

Good Housekeeping Tips

Good housekeeping prevents accidents. Each of us must be diligent with housekeeping in our area on a daily basis by doing the following:

- Keep your work area clean
- Keep aisles and stairs clear
- Give each tool and material its own place
- Put away tools and equipment promptly after using them
- Don't have more than one file drawer open at a time and *never* leave an open file drawer unattended
- If you see a housekeeping or safety hazard, remove, repair, or report it immediately to your supervisor
- Dispose of trash, scrap and other debris promptly. Place it in the proper containers.

Good housekeeping is a critical part of our safety program. If you make a mess, clean it up.

Everything Starts with Safety!
