President's Day - February 16th

Presidents' Day is an American holiday celebrated on the third Monday in February. Originally established in 1885 in recognition of President George Washington, it is still officially called "Washington's Birthday" by the federal government.

Traditionally celebrated on February 22—Washington's actual day of birth—the holiday became popularly known as Presidents' Day after it was moved as part of 1971's Uniform Monday Holiday Act, an attempt to create more three-day weekends for the nation's workers. While several states still have individual holidays honoring the birthdays of Washington, Abraham Lincoln and other figures, Presidents' Day is now popularly viewed as a day to celebrate all U.S. presidents past and present.

Safety Tip for the Month

Preventing Foot Pain

You can help keep your feet be pain-free by following these tips:

Buy footwear that fits.

- Shoes should grip your heel firmly and allow your toes to move freely
- Look for good arch support
- Try shock-absorbing insoles

Get off your feet during your breaks. Elevate your feet for a few minutes if you can.

If possible, alternate shoes each day. Wearing the same pair constantly can aggravate foot problems.

Treat your feet: After work you and your feet deserve some pampering. De-stress by kicking off your shoes and soaking your tired feet in warm, sudsy water. Follow up with some soothing lotion.

Everything Starts with Safety!

CROWN ROOM NEWS

The Micro Mart is now open in the Greetings Crown Room. Food and beverage purchases can now be made 24/7 at the self-pay register station using:

PAYROLL DEDUCTION OR CROWN ROOM GIFT CARDS

If you currently payroll deduct in the Crown Room, you are already set up for the self-pay register.
