## Be a Hallmark Innovator

If you think you're channeling Joyce Hall and have a great product idea, there's a place where you can run the idea up the flag pole to see if anyone will salute it!

The [consumer solutions intranet site](#) has a link called "ideas" which will direct you to the [ideas overview page](#). You can read all about the ideas process and when you're ready, head over to the SharePoint Project Pipeline Site and submit your great idea. Submissions are reviewed quarterly.

Hallmark offers many programs and services designed to help employees manage their health. Included is Preventive Care.

◆ The Hallmark medical plan waives the deductible and co-insurance for preventive care services received from in-network providers. This includes physical exams, disease screenings, immunizations and more. View the [Preventive Care List](#) or learn more at [mycigna.com](#). Select the Medical link under "Review My Coverage."

• Also, take the **free health risk assessment** from MyCigna.com. This confidential and comprehensive health risk questionnaire is available free to Hallmarkers through [mycigna.com](#). It can help you identify your health risks and take action. From the home page just choose "Take my health assessment now." You also will find free online coaching with simple ways to eat better, sleep better, manage stress and get more active.

Thank you just doesn't seem to cover all I am feeling towards everyone for making my "day" so special. A big thank you to Kent J and Tom R for sharing their time w/me. I don't think it could have been any better except if more of my Hallmark family could have been there, but that is so understandable. I have enjoyed all my 34+ years and will miss all of you so much. Good luck to all, I had no idea how much you all meant to me until those final days. You are awesome. Best of luck!

Linda Finch (Retired)

Thank you to the Hall family for the beautiful retirement gift and the great celebration that my family got to enjoy. Also, thanks to everyone for attending my retirement celebration, for the cards and gifts. It was a very special and touching day for me. I would like to let my Hallmark family know that all of the years that I worked at Hallmark were special due to all of the wonderful people that I made friends with.

Sophia Hicks (Retired)
