Send a card. It's the biggest little thing you can do.

## National Fire Prevention Week

**Oct 8th—14th**

**2017 Theme: Every Second Counts: Plan 2 Ways Out!**

Fire Safety Week is observed during the Sunday through Saturday period in which October 9 falls, in commemoration of the Great Chicago Fire, which began October 8, 1871, and did most of its damage October 9.

**In a fire, seconds count. Seconds can mean the difference between residents of our community escaping safely from a fire or having their lives end in tragedy.**

That's why this year's Fire Prevention Week theme: "Every Second Counts: Plan 2 Ways Out!" is so important. It reinforces why everyone needs to have an escape plan. Here's this year's key campaign messages:

Draw a map of your home with all members of your household, marking two exits from each room and a path to the outside from each exit.

- Practice your home fire drill twice a year. Conduct one at night and one during the day with everyone in your home, and practice using different ways out.
- Teach children how to escape on their own in case you can't help them.
- Make sure the address of your home is clearly marked and easy for the fire department to find.
- Close doors behind you as you leave – this may slow the spread of smoke, heat, and fire.
- Once you get outside, stay outside. Never go back inside a burning building.

## October Diversity & Inclusion

National Domestic Violence Awareness Month

National Disability Employment Awareness Month

National Work & Family Month
