## Breast Cancer Awareness Month

October is Breast Cancer Awareness Month, which is an annual campaign to increase awareness of the disease. While most people are aware of breast cancer, many forget to take the steps to have a plan to detect the disease in its early stages and encourage others to do the same.

### Why you need an early detection plan:

1 in 8 women will be diagnosed with breast cancer in their lifetime

When breast cancer is detected early (localized stage), the 5-year survival rate is 98%

In recognition of Breast Cancer Awareness Month we will be having a drawing. Please fill out and drop in the box in the Crown Room. **All entries will be due Monday, October 21st.**

Name \_\_\_\_\_ Shift \_\_\_\_\_ Department \_\_\_\_\_

## Employee in the Spotlight

**Name:** Francisco Ruiz      **Department:** Facilities      **Position:** Manager      **Years at Hallmark:** 19

Q: Best part of your day:

A: Learning the various components of the building and how they interchange on a day to day basis

## Safety Tip of the Week: Halloween Safety Tips

Know the route your kids will be taking if you aren't going with them. Let them know that they are to check in with you every hour, by phone or by stopping back at home. Make sure that they know not to deviate from the planned route so that you always know where they will be.

Trick or treating isn't what it used to be. In most cities it's not safe to let kids walk the streets by themselves. Your best bet is to make sure that an adult is going with them. If you can't take them yourself, see if another parent or two can.

Help your young child pick out or make a costume that will be safe. Make sure that it's fire proof or treated with fire retardant. If they are wearing a mask of any kind, make sure that the eye holes are large enough for good peripheral vision.

Be sure to show your children how to cross a street properly. They should always look both ways before crossing the street and should only cross at corners or crosswalks. Make sure that if you have more than one child, they know to take the hand of the younger child when they cross a street.

Have a Safe Halloween!!
