

# THE Leavenworth CONNECTION

JAN/FEB 2017

EDITOR: LISA ALLEN

## LEAVENWORTH CONNECTION PUBLICATION CHANGES

Beginning with this edition of the Leavenworth Connection you will notice changes. The Connection will no longer be published every month but will now be printed every other month. All birthday's and anniversaries will be published for the two month period, as well as any plant news. Please continue to check the CTV's for any additional plant happenings. This is our January/February edition so be looking forward to the March/April edition in early March.

### *A HUGE THANK YOU!*

*Although I try not to write many articles for the Connection I felt that it was appropriate to write this one. I, as well as all Leavenworth Plant employees, I'm sure would like to say "Thank You" to our plant manager, Dave Millen and our Value Stream Manager, Ward Hawley for furnishing the delicious meats for our Christmas Dinner and for our stylish "Leavenworth Production Center" jackets. It's great knowing that everyone's hard work is appreciated! Thank you again.*
