Sprucin' It Up!

By: Greg Ledford

By now everyone has seen the improvements or have been a part of the facelift at the Leavenworth plant. Many of you have been an integral part in cleaning and refreshing our facility. Over the last few months we have had an opportunity to accomplish a large list of exciting changes to our plant's appearance. Walls throughout the facility have been painted, ceilings have been freshened with new tile, a new look is being added to the main hallway, renovations in the Crown Room, updated landscaping at the entrance, a new break area is being completed, and the list keeps going. I am excited to be able to keep investing in our facility and the fact that so many of you are engaged with these positive changes. My utmost thanks go out to all of you who have helped with these projects, your efforts are sincerely appreciated by everyone here in Leavenworth. I hear many positive comments about what we have done to spruce things up and we should all feel great about what we have accomplished. As many of you go back to your daily tasks, rest assured we will continue to keep working to make Leavenworth look its best!

Plant Access for Visitors

While our plant is a fascinating place to visit, there are guidelines that all visitors need to adhere to for the safety of the visitor and employees, as well as to ensure we protect confidential information/processes. The procedure for any visitor is as follows:

All visitors-upon entering the premises must report to the Front Desk. Visitor should provide the name of the employee being visited and wait until that person has been contacted and arrangements made for an escort. The Hallmark employee is responsible for the visitor's well-being and behavior while on company property.

Visitors may be shown the Crown Room, the Card Shop, or may be escorted to a designated break area. Travel to the break area should be via a direct route using the aisles. Visitors should not be in any of the working areas.

Retirees are welcome to shop in the Card Shop unescorted. For all other visits, retirees should adhere to the visitor guidelines.

DAYLIGHT SAVINGS TIME BEGINS MARCH 8TH, 2015!

Don't forget, spring forward, set your clocks ahead 1 hour, and change the batteries in your smoke detectors and carbon monoxide detectors.

HALLMARK HEALTH REWARD Primary Care Physician Matching

Have a Primary Care Physician?

Your Health Navigators will be available on-site to confirm and record your physician, as this will be required to participate in the 2015 on-site wellness screening. **You must complete this step even if you confirmed your physician last year.** If you aren't able to stop by, you may report your physician through Hallmark Health Rewards portal.

Need a Primary Care Physician?

Your Health Navigators can match you with physicians who meet your personal preferences and needs. Our goal is to foster meaningful relationships between you and your primary care physician.

Health Navigators will be in the Leavenworth Crown Room:

Tuesday, March 3—6a.m.—2p.m.
Monday, March 16—11a.m.—5p.m.

To be matched with a primary care physician or to have questions answered about reporting a current physician, please contact your Health Navigators at:

T: (816) 201-7000 or E: support@primaryhealthnetwork.com

CARD SHOP

Well at least spring has sprung somewhere and that would be in the Card Shop. The colors of yellow, blue, lavender, and pink give you that warm and fuzzy feeling, don't you think!. Well if it's not all the bright colors, maybe it's the bunnies, and chicks, Thumper or Snoopy with his butterfly wings, stop in and pick something up that will give **you** that warm fuzzy feeling...until you step outside anyway!!!

Easter is April 5, so buy early and get the best selection of Easter chocolates and of course your Hallmark Easter Cards.

**The 1/4 price shop is packed to the walls with discounted items. Help reduce inventory and make space for new markdowns!
