

THE Leavenworth CONNECTION

EDITORS: LISA ALLEN & CASSANDRA LINCOLN

HOT DOG FEED

Plant wide hot dog lunches occurred across all three shifts on October 27th and 28th. Jim Munda kicked off the lunches by introducing the engineering and maintenance/facilities groups. He also briefly discussed some of the \$2,000,000+ plant wide projects his team is working on. Mike Robert then discussed the safety achievements the plant has accomplished so far this year, including a 0.5 incident rate year to date and one full year between OSHA recordable injury accidents. Mike sent out a big thanks to those who participated in the game of Family Feud and won a totally awesome prize!

Tony concluded the presentation by thanking everyone for their contributions to our safety program and presented everyone with a card and gift.
