BRIDGING THE GAP

Join us in creating an environmentally resilient community.

Do you love being outdoors and connecting with nature? Are you driven to improve your community and the environment? Come volunteer with us! Click here to review our current list of volunteer opportunities! Bridging The Gap not only educates the community about the environment, but also we engage people in taking action. Together, with our volunteers and program leaders, we do the physical work it takes to restore our environment by planting trees, picking up litter, removing invasive species, and much more. We engage 1,500 volunteers each year to accomplish our work – can you join us?

Bridging The Gap offers a variety of volunteer opportunities for individuals, groups, families and students. Whether you have just a couple of hours or want to make an ongoing commitment, you can help protect our planet for generations to come. You can review our list of current volunteer opportunities by clicking here. Due to the seasonal aspect of our work, most volunteer opportunities take place in the Spring and Fall; however, we do have a few ongoing opportunities as well!

TYPICAL VOLUNTEER OPPORTUNITIES INCLUDE:

Community Recycling Center (ongoing)
Office Volunteer (ongoing)
Tree Planting and Tree Care
Prairie and Forest Restoration
Litter Cleanups
Special Events (Recycling Attendants, Gala Assistance, etc)

REQUIREMENTS

All volunteers need to sign up in advance, and agree to our waiver. The minimum age varies, depending on the volunteer opportunity (click the opportunity for the min age). If you are a corporate or civic group leader, we may be able to arrange a special workday for your team. We apologize; we are not able to sign off on court-appointed or disciplinary community service requirements.

QUESTIONS?

To discuss group options, or if you just aren't sure where to start, email **Amy Smith**, Volunteer Services Manager, volunteer@bridgingthegap.org or call **816-561-1062**.

UNITED WAY

HOW CAN YOU GET INVOLVED: Your retirement brings new opportunities, and for many, that includes a dedication to giving back. Together with Hallmark, you can bring hope and dignity to the people who need it most. And as an added benefit, research has shown that people who volunteer and give back live a longer and happier life. United Way counts on volunteers for the programs offered to the community throughout the year. Some ongoing volunteer opportunities:

POVERTY SIMULATIONS – *a moving, interactive experience educating the community on the challenges of poverty.*

MAD CITY MONEY at area high schools – *prepares students for the real world.*

TAX PREPARATION – *assists financial stability and economic development.*

DOLLY PARTON'S IMAGINATION LIBRARY – *puts the power of reads into the hands of children.*

Whether you're interested in a one-time activity or an on-going commitment, visit the website at www.unitedwaygkc.org and click on the volunteer button to explore the programs and causes that could benefit from your skills, time and experience.
